VICE-CHANCELLOR'S OBSERVATIONS ON THE ANNUAL REPORT 1973

(JULY 1972—JUNE 1973)

I have great pleasure in presenting to the Senate the Annual Report of the University for the year July 1972 to June 1973. The reports from the Heads of the Departments, Principals of Affiliated Colleges and the Registrar will give the factual situation regarding the attainments in various units during the year under review. I shall, therefore, highlight only some of the salient features to which I wish to draw the special attention of the Senate. The Senate is fully aware that I took over as Vice-Chancellor of this University in the month of May, 1973 Thus, practically for the whole of the session my predecessors—Prof A B Lal and Prof R C Mehrotra—held the office of the Vice-Chancellor and progress as shown in various directions is entirely due to their efforts.

One of the important events of the year under review was the acceptance of the recommendations of the Committee of the Academic Council to the effect that a separate Faculty of Social Sciences be set up in the University.

Accordingly necessary additions and alterations to the Statutes and Ordinances were approved by the Syndicate in June 1973. Further steps for creation of the Faculty of Social Sciences have since been taken.

3. Another important decision taken in the starting of the Post-graduate classes in Urdu and Music (Instrumental and Vocal) with ffect from the Academic Session 1973-74 The University instited two new Gold Medals on the usual terms and conditions—one r M.A. Examination in Psychology and the other for M A./M Sc. amination in Statistics

The University also instituted a Gold Medal named 'Harish nra Memorial Gold Medal' and one 'Kesar Bai Shurvi ngh

Prize' with an endowment for Rs. 4000/- each from Shri V.D. Qamra and the Board of Trustees of Dr. Shurveer Singh Trust. The Donors deserve our thanks and appreciation.

4. It was during this session, towards the end of June 1972, that the University of Rajasthan Amendment Act 1972, was brought into force under which 10 students were to be elected to the Senate every year. I am happy to note that these new student-members of the Senate have already participated in the deliberations of the Senate meetings in a helpful manner. Some of these members have also represented some grievances of the students' community to the Vice-Chancellor and other University authorities from time to time in an appropriate manner and their constructive suggestions were entertained as far as possible. I am sure, the University will continue to benefit from the advice & co-operation of the student-members of the Senate in future also.

At the end of the last academic session by which time our student Senators had attended three meetings of the Senate and got rich experience of the working of the Senate, they were deputed to visit about eight to ten Universities of India and an outright grant of Rs. 4000/- was sanctioned to them for the purpose.

The number of teachers elected to the Senate from amongst themselves has increased to 15. It is a welcome change and I am sure this will help the deliberations of the Senate. The composition of the Syndicate has also been enlarged by providing for 4 more members from various categories and in the near future, I think student-members will also be added to the existing strength of the Syndicate.

5. Another important achievement during the academic year under review was to obtain the sanction from the University Grants Commission for providing financial assistance to the Department of Chemistry (Inorganic) to enable it to strengthen the major areas of teaching and research activities. The University Grants Commission sanctioned a sum of Rs. 7,50,000/- as non-recurring grant towards the purchase of equipments, books and journals etc. and a sum of Rs. 50,000/- per annum as recurring grant towards academic/technical books and journals, chemicals etc. and contingencies. Necessary

steps are now being taken for making the appointments to the new posts provided for in the budget Professor R.C. Mehrotra and the team of his colleagues in the Department of Chemistry deserve all appreciation and congratulations for the efforts made by them in this behalf.

6. Some of our teachers in the University brought laurels for the institution by their participation in international Conferences, for instance Professor G.C. Pande of the Department of History and Indian Culture attended a Conference on 'Social and Cultural Development of Central Asia' at Ashkabad (U S S R). Professor R C Mehrotra of the Department of Chemistry joined the delegation of the National Council of Indo-Soviet Cultural Society and visited Soviet Union for participating in the Seminar on 'Indo-Soviet Co-operation in different fields including Education & Technology' Professor Raj Krishna has been given an assignment in the World Bank to serve as Senior Economist in the Bank's Department of Development Economics Prof. R.G. Sarien and one of our Deputy Registrars, Mr. J.N. Mathur, participated in the 'Management Development Programmes for University Administration' on an invitation from the Indian Institute of Management, Calcutta. Besides this, as many as 23 teachers of different departments of the University received grants from the University Grants Commission under its scheme for award of 'Financial Assistance to Teachers for Research Work'. The University also invited about 16 professors of repute to deliver lectures in various departments under the scheme of 'Visiting Professors' during the year 1972-73 and our faculty members and the students greatly benefitted from these lectures.

7. The number of affiliated colleges during the year under review is as follows :

Colleges upto Post-graduate courses--	40
Colleges upto Degree courses—	138

Six new colleges came up and affiliation in additional subjects/standards was granted to another five colleges. With the increase in the number of teachers from affiliated colleges in the University bodies, the University has greatly benefitted from their participation and constructive suggestions. As is well known by the constantly

increasing number of colleges and enrolment of students therein, the University of Rajasthan is becoming unwieldy. The number of examinees in the University has also been increasing rapidly, roughly at the rate of 20,000 per year. This urgently calls for some effective measures so as to ensure that the University does not become unmanageable. The State Government, I am glad to say, is alive to the need inasmuch as it appointed a Committee known as 'Shrimali' Committee, the report of which is anxiously awaited.

About 43 teachers from affiliated colleges received assistance from the University Grants Commission under its programme of financial assistance to teachers for research work. The unassigned grant of Rs. 34,000/- was also placed by the U.G.C. at the disposal of the University for the financial year 1972-73 for the schemes of (i) exchange of teachers between University and affiliated Colleges, (ii) Travel grants to teachers for attending Conferences/Seminars in India and abroad, (iii) travel grant io teachers and research scholars for visiting centres of advanced Studies and Research in India in connection with their research work and (iv) extension work by the University teachers.

9. As may be observed from the Budget for the year 1974-75 presented to the Senate separately, the financial situation of the University is not very unsatisfactory, at least on paper. However, I would like to add that the running of a large modern University has become an expensive and difficult proposition particularly when there is no financial viability and a minimum freedom granted to the University authorities for reappropriation of grants. No University can keep alive the essential arteries of its academic life and ensure the quality and excellence of its activities to thrive and endure without enjoying complete autonomy. Although the Government of Rajasthan has been keen to help the University in solving its financial problems by accepting the formula of Block Grant, the rigid conditions attached to the grant need an immediate review. I am sure, the State Government are keenly aware of the problems confronting the University and are willing to allow a certain measure of freedom to the University to use its Block Grant keeping in view the development and welfare of the institution.

10 I have briefly outlined a few salient features of the University during the year 1972-73. Higher education in our country is not receiving the measure of State support which in my opinion is essential for making our Universities suitable instruments for developing the human resources of the country. Increasingly large numbers of students are clamouring for admission in the Universities and are also demanding provision of better facilities in the matter of Class-rooms, Laboratories, Libraries, Play-grounds etc. and expenditure is not keeping pace with this demand. As a result, many of the institutions have to remain content with sub-standard facilities as compared to similar institutions outside our country Another question which frequently comes up and which needs urgent attention of the State and of the Universities is the relevance of the studies now being organised in the various universities and the priorities that have to be accorded to courses of study which may enable those undergoing those courses of studies to get immediate employment It would be stating an abvious truth to say that a sense of frustration prevails in the minds of our young men and women undergoing studies in the Universities and this is one of the principal causes of unrest in University Campuses There is also another clamour from students regarding their share in the governance of universities. Students are now anxious to be associated directly in all the Bodies of the Universities and particularly the highest executive body, the Syndicate If it is possible to get suitable representations of the students who can take full responsibility for ventilating all the grievances of the students in the highest executive body, it would be very useful to have such representation because the primary concern should be to maintain peace and quiet in the University Campus so that the academic work can go on undisturbed. Moreover, the conditions under which universities have to function now calls for a radical alteration of the whole structure and functions of the University Bodies so that the organisation can function quickly, effectively and smoothly and come to very quick decisions. All efforts are now being made to solve some of these very difficult problems relating to the governances of the universities and I have every hope that with the help of the U.G.C , the Ministry of Education, Govt. of India and the State Government, it would be possible for us to give

effect to the needed changes and pioneer the way out of the present difficult situation in the universities.

11. Before I close, it is my very pleasant duty to thank my predecessors, Prof. A.B. Lal and Prof. R.C. Mehrotra for the achievements made by them during the year under report and to all my colleagues in the various wings of the University and the other teaching and non-teaching staff and the students, who have fully collaborated in making the university move forward in achieving its ideals. The University Bodies—Senate, Syndicate, Academic Council, Faculties and Boards of Studies have all functioned very co-operatively, which has helped in the functioning of the University. I have no doubt that I will have the full co-operation of all the members of the Senate in maintaining the past traditions and in developing this University in future.

वार्षिक विवरण पर कुलपति का पर्यवेक्षण

(जुलाई 1972 से जून 1973)

मुझे प्रसन्नता है कि अधिसभा (सीनेट) के समक्ष विश्व-विद्यालय के जुलाई 1972 से जून 1973, सत्र का वार्षिक विवरण प्रस्तुत कर रहा हूं। समीक्ष्य सत्र मे विभिन्न विभागों की उपलब्धियो की स्थिति कुलसचिव तथा विभागाध्यक्षो एव सम्बद्ध महाविद्यालयो के प्राचार्यों के विवरणो से स्पष्ट हो सकती है। अतएव मै प्रमुख गतिविधियो को रेखाकित करूगा जिससे यह अधिसभा उन पर ध्यान केन्द्रित कर सके। अधिसभा इस तथ्य से परिचित है कि राजस्थान विश्वविद्यालय के कुलपति पद का भार मैंने मई 1973 मे सम्भाला था। वस्तुतः इस सम्पूर्ण सत्र मे कुलपति पद का कार्यभार प्रो० ए०बी० लाल तथा प्रो० आर०सी० मेहरोत्रा पर रहा, अतएव इस सत्र मे सभी दिशाओ मे जो प्रगति हुई, उसका श्रेय उन्ही को है।

1. इस वर्ष की महत्त्वपूर्ण घटना, विद्वत् परिषद् (एकेडेमिक कौंसिल) की सस्तुति के फलस्वरूप सामाजिक विज्ञान के पृथक सकाय की स्थापना है।

2. तदनुसार जून 1973 मे अधिसभा ने नियम-अधिनियमो मे आवश्यक सशोधन और परिवर्धन किये। तदनन्तर सामाजिक विज्ञान सकाय की स्थापना के लिए आवश्यक कार्य किये गए।

3. एक अन्य महत्वपूर्ण निर्णय के अनुसार 1973–74 के सारस्वत सत्र मे उर्दू तथा सगीत (वाद्य तथा कंठ संगीत) मे स्नातकोत्तर कक्षाएं प्रारम्भ हुईं।

विश्व-विद्यालय ने यथाविधि दो नए स्वर्ण पदको की स्थापना की जो एम०ए० मनोविज्ञान तथा एम०ए०/एम०एस-सी०, सांख्यिकी परीक्षाओं मे सर्वोच्च अक प्राप्त करने के लिए प्रदान किए जायेंगे।

विश्व-विद्यालय ने दो अन्य स्वर्ण पदको की स्थापना की है, प्रथम-हरीश कामरा मेमोरियल गोल्ड मैडिल, द्वितीय-केसरबाई शूरवीर सिंह प्राइज। इन दोनो स्वर्णपदको के लिए क्रमशः श्री बी०डी० कामरा तथा डा० शूरवीरसिंह ट्रस्ट की ओर से स्वर्णपदक के लिए रु० 4000/- का अनुदान मिला। ये अनुदान कर्ता हमारी प्रशसा और धन्यवाद के पात्र हैं।

4. जून 1972 के अन्त में राजस्थान विश्व-विद्यालय संशोधन विधेयक 1972 को मान्यता दी गई। इस विधेयक के अनुसार प्रत्येक वर्ष अधिसभा के लिये 10 छात्रों का चुनाव होना था। मुझे प्रसन्नता है कि नवीन छात्र प्रतिनिधियों ने अधिसभा की बैठकों में भाग लिया तथा उनका रुख सहयोगमूलक रहा। इन सदस्यों में से कुछ ने छात्र-समुदाय की समस्याओं को जनतांत्रिक विधि से कुलपति तथा अन्य अधिकारियों के समक्ष प्रस्तुत किया। फलतः उनके रचनात्मक सुझावों को स्वीकार किया गया। मुझे विश्वास है कि विश्वविद्यालय छात्र-प्रतिनिधियों के परामर्शों से लाभान्वित होता रहेगा। सत्रान्त तक हमारे छात्र-प्रतिनिधि अधिसभा की तीन बैठकों में भाग लेकर समृद्ध अनुभव प्राप्त कर चुके थे। उन्हें देश के आठ-दस विश्व-विद्यालयों के अवलोकनार्थ भेजा गया और इस उद्देश्य की पूर्ति के लिए रु० 4000 की अर्थराशि स्वीकार की गई।

अधिसभा में शिक्षक समुदाय से निर्वाचित शिक्षक प्रतिनिधियों की संख्या 15 है। अधिसभा के विचार-विमर्श में इन प्रतिनिधियों से सहायता मिलेगी। अतएव मैं इस शुभ परिवर्तन का स्वागत करता हूं। अभिषद् (सिंडीकेट) में सदस्य संख्या बढ़ी है। विभिन्न कोटियों से चार व्यक्तियों को अभिषद् का सदस्य बनाया गया है, मेरा विचार है कि अभिषद् की वर्तमान सदस्य संख्या में छात्र प्रतिनिधियों से अभी और वृद्धि होगी।

5. इस सत्र की एक अन्य उपलब्धि यह है कि इसमें विश्व-विद्यालय अनुदान आयोग से रसायन विभाग (इनआर्गेनिक कैमिस्ट्री) को आर्थिक अनुदान मिला। इससे रसायन विज्ञान विभाग के शिक्षा क्षेत्र तथा शोध कार्यों को सशक्त बनाया जा सकेगा। विश्व-विद्यालय अनुदान आयोग ने 7,50,000 रु० की अचल अर्थ राशि (नोन-रिकरिंग) यंत्रों, पुस्तकों व पत्र-पत्रिकाओं के लिए एवं रु० 50,000 की चल अर्थ राशि (रिकरिंग) सारस्वत-तकनीकी पुस्तकों, रसायनों, पत्र पत्रिकाओं के क्रय करने के लिये प्रदान की। वार्षिक आय-व्यय लेखा में प्रावधानित पदों पर नियुक्तियों के लिये आवश्यक कार्य किया जा रहा है। प्रो० आर०सी० मेहरोत्रा तथा रसायन विभाग के शिक्षक साथियों के अनुदान प्राप्ति सम्बन्धी प्रयत्न प्रशंसनीय है।

6. विश्व-विद्यालय के कुछ शिक्षकों ने अन्तर्राष्ट्रीय सम्मेलनों मे भाग लेकर इस संस्था का गौरव बढ़ाया है। उदाहरण के लिये इतिहास तथा भारतीय संस्कृत विभाग के आचार्य श्री जी०सी० पांडेय ने, अश्कावाद (सोवियत संघ) की "मध्य ऐशिया के सामाजिक तथा सांस्कृतिक विकास" पर आयोजित सम्मेलन में भाग लिया। प्रो० आर०सी० मेहरोत्रा ने 'भारत सोवयित सांस्कृतिक संस्थान". (इस्कस) की राष्ट्रीय परिषद् के सदस्य की हैसियत से सोवियत संघ का भ्रमण किया और "शिक्षा तथा तकनीकी और अन्य क्षेत्रों में भारत सोवियत सहयोग" विषय पर आयोजित परिसंवाद में भाग लिया। डा० राजकृष्ण विश्व-बैंक के "विकासमूलक अर्थशास्त्र विभाग" में वरिष्ठ अर्थशास्त्री के रूप में आमंत्रित किए गये। प्रो० आर० जी० सरीन तथा उपकुल-सचिव श्री जे० एन० माथुर कलकत्ता के

"भारतीय प्रबन्ध संस्थान" द्वारा निमन्त्रित हुए और उन्होने "विश्वविद्यालय प्रबन्ध के लिये प्रबन्ध विकास कार्यक्रम" शीर्षक परिसवाद में योगदान किया। इसके अतिरिक्त "अनुसधान कार्य के लिये शिक्षको को सहायता की योजना" मे विभिन्न विभागो के 23 प्राध्यापको ने विश्वविद्यालय अनुदान से सहायता उपलब्ध की। विश्वविद्यालय की "आचार्य यात्रा योजना" (विजिटिंग प्रोफेसर्स योजना) के अन्तर्गत 16 आचार्यो को विभागो में भाषण देने के लिये आमन्त्रित किया गया और हमारे संकाय तथा छात्रो को इन व्याख्यानो से बहुत लाभ हुआ।

7. समीक्ष्य वर्ष मे सम्बद्ध महाविद्यालयो की सख्या इस प्रकार रही :—

1. स्नातकोत्तर महाविद्यालय—40
2. स्नातक स्तर के महाविद्यालय—138

6 नये महाविद्यालयों की स्थापना इसी वर्ष हुई तथा 5 महाविद्यालयो को अतिरिक्त विषयो मे सम्बद्धता प्रदान की गयी। विश्वविद्यालय के निकायो मे महाविद्यालयो के शिक्षक सदस्यों से हमे अनेक रचनात्मक सुझावो और परामर्शो की उपलब्धि हुई। यह सर्वज्ञात तथ्य है कि सम्बद्ध महाविद्यालयो की बढ़ती हुई प्रवेश सख्या से राजस्थान विश्व-विश्वविद्यालय का आकार अनुपात से अधिक बढता जा रहा है। विश्वविद्यालय मे प्रति वर्ष 20,000 की औसत से परीक्षार्थियो की सख्या वढ रही है। अतः ऐसे प्रभावी निर्णय अविलम्ब लिए जाने चाहिए, जिससे विश्वविद्यालय प्रबन्ध योग्य बना रहे। मुझे हर्ष है राज्य प्रशासन इस आवश्यकता से परिचित है और उसने इस सम्बन्ध में "श्रीमाली समिति" की स्थापना की है, जिसके विवरण की प्रतीक्षा है।

8. अनुसंधान कार्य मे "शिक्षको को आर्थिक सहायता योजना" के अन्तर्गत विश्वविद्यालय अनुदान आयोग से सम्बद्ध महाविद्यालयो के लगभग 43 शिक्षकों को आर्थिक सहायता दी गई है। इसके अतिरिक्त विश्वविद्यालय अनुदान आयोग से रुपए 34,000/- निम्नलिखित कार्य-क्रमो के लिए मिले—

(i) विश्व-विद्यालय और सम्बद्ध महाविद्यालयो के मध्य शिक्षकों का विनिमय।

(ii) देश विदेश में आयोजित परिसंवादो मे शिक्षकों के सम्मिलित होने के लिए यात्रा–अनुदान।

(iii) अनुसंधान कार्य के सदर्भ मे, उन्नत अध्ययन–अनुसधान–केन्द्रों की यात्रा के लिए शिक्षको तथा शोध–छात्रों को आर्थिक अनुदान।

(iv) विश्वविद्यालय के शिक्षको द्वारा ज्ञान प्रसारण के कार्य।

9. जैसा कि अधिसभा के सम्मुख पृथक रूप से प्रस्तुत 1974–75 के आय–व्यय लेखा से स्पष्ट है, विश्वविद्यालय की आर्थिक स्थिति ऊपर से देखने में असंतोष

जनक नहीं है, फिर भी मैं यह कहना चाहूँगा कि एक विशाल और आधुनिक विश्वविद्यालय का संचालन अत्यधिक कठिन और व्ययशील कार्य है। यह कठिनाई तब और बढ़ जाती है, जब अनुदानों के उपयोग के विषय में विश्वविद्यालय को अल्पतम स्वतंत्रता भी नहीं दी जाती। कोई भी विश्वविद्यालय सारस्वत-जीवन को प्राणवत्ता तभी दे सकता है, तभी वह अपनी गतिविधियों में गुणात्मक उच्चता और उत्कृष्टता ला सकता है, जब उसे पूर्णस्वायत्तता प्राप्त हो। यद्यपि राजस्थान सरकार समग्र आर्थिक अनुदान (ब्लाक ग्रान्ट) का सूत्र स्वीकार करके विश्वविद्यालय की आर्थिक समस्याओं को सुलझाती रही है परन्तु समग्र आर्थिक अनुदान के साथ लगाई गई कड़ी शर्तों का पुनः मूल्यांकन अत्यन्त आवश्यक है। मैं आश्वस्त हूँ कि विश्वविद्यालय जिन समस्याओं का समाधान कर रहा है, राज्य सरकार उनके प्रति सचेत है और वह समग्र आर्थिक अनुदान के उपयोग में विकास और कल्याणकारी कार्यों के लिए विश्वविद्यालय को यत्किंचित स्वतंत्रता देने की भी इच्छुक है।

10. मैंने 1972–73 की कालावधि में विश्वविद्यालय की कुछ प्रमुख गतिविधियों की रूपरेखा प्रस्तुत की है। मेरा मत है कि इस देश में उच्च शिक्षा को राज्य सहायता उपयुक्त मात्रा में नहीं मिल रही है। उचित राज्य सहयोग से ही विश्वविद्यालय, राष्ट्र की मानव-शक्ति के विकास के माध्यम बन सकते हैं। क्रमशः अधिकाधिक संख्या में विद्यार्थी विश्वविद्यालय में प्रवेश पाने के लिये प्रयत्नशील हैं और वे कक्षा, प्रयोगशाला, पुस्तकालय, खेल के मैदान आदि की उत्तम सुविधाओं की मांग कर रहे हैं। इस स्थिति में मांग के अनुरूप व्यय नहीं हो रहा है। फलस्वरूप विदेशों की तुलना में अनेक शिक्षा संस्थाओं को स्तरहीन परिस्थितियों में कार्य करना पड़ रहा है। एक अन्य प्रश्न जो बार बार सामने आता है और जिस पर अविलम्ब ध्यान दिया जाना चाहिए—वह है विश्वविद्यालयों द्वारा आयोजित अध्ययन योग्य विषयों की प्रासंगिकता का प्रश्न। इस सम्बन्ध में प्राथमिकता उन विषयों को मिलनी चाहिये, जिनके अध्ययन या प्रशिक्षण से युवा-वर्ग की बेकारी दूर हो सके। यह एक स्पष्ट तथ्य की पुनरावृत्ति मात्र है कि विश्वविद्यालयों के छात्र-छात्राओं के मानस में व्यापक रूप से निराशा व्याप्त है और भविष्य सम्बन्धी यह आशाहीनता ही विश्वविद्यालय प्रांगण में अशान्ति का मुख्य कारण है। छात्रों की यह मांग भी है कि विश्वविद्यालय के संचालन में उन्हें अधिकाधिक भाग लेने दिया जाये। छात्र विश्वविद्यालय के विभिन्न निकायों से जुड़ना चाहते हैं। विशेष रूप से अभिषद् (सिंडीकेट) में छात्र प्रतिनिधित्व की मांग कर रहे हैं। यदि अभिषद् में ऐसा छात्र प्रतिनिधित्व उपलब्ध हो सके जो छात्र वर्ग के कष्टों और समस्याओं को सामने ला सके तो ऐसा प्रतिनिधित्व बहुत उपयोगी होगा क्योंकि हमारा मुख्य कार्य विश्वविद्यालय प्रांगण में शान्ति और सद्भाव की स्थापना करना है। इसी से सारस्वत कार्य सुचारु रूप से हो सकता है। इसके अतिरिक्त जिन परिस्थितियों में विश्वविद्यालय कार्य कर रहे है, उनमें विश्वविद्यालय के विभिन्न अंगों-प्रत्यंगों की सम्पूर्ण संरचना और कार्य पद्धतियों को बदलने

की आवश्यकता है। ऐसे संरचनात्मक परिवर्तनो से ही शिक्षा सस्थान शीघ्र निर्णय लेने की प्रक्रिया अपना सकते हैं और प्रभावशाली एव शान्तिमय विधि से अपना कार्य कर सकते हैं। विश्वविद्यालयो के संचालन से सम्बन्धित कुछ अत्यन्त कठिन समस्याओं के समाधान के लिये सभी प्रयत्न किए जा रहे हैं और मुझे आशा है कि विश्वविद्यालय अनुदान आयोग, शिक्षा मत्रालय, भारत सरकार तथा शासन की सहायता से हम विश्वविद्यालय के ढाचे मे आवश्यक परिवर्तन कर सकेंगे।

11. इस विवरण को समाप्त करने के पूर्व मेरा यह हर्षदायक कर्तव्य है कि प्रो. ए. बी. लाल तथा प्रो. आर. सी. मेहरोत्रा को समीक्ष्य वर्ष की उपलब्धियो के लिए धन्यवाद दूं तथा अन्य सभी साथियो के प्रति आभार व्यक्त करूं जो विश्वविद्यालय के शिक्षा विभागों एवं कार्यालयों मे कार्य कर रहे है। विश्वविद्यालय की आदर्शोन्मुख प्रगति मे मुझे शिक्षको, कार्यालय के साथियों तथा छात्र समुदाय से पूर्ण सहयोग मिला है। विश्वविद्यालय की समस्याओ तथा अधिसभा, अभिषद्, विद्वत् परिषद्, संकाय तथा अध्ययन मंण्डलो ने मिलजुल कर कार्य किया है। इन सस्थाओ के सहयोग से ही विश्वविद्यालय का कार्य आगे बढ़ा है।

मैं आश्वस्त हूं कि विश्वविद्यालय की महान परम्पराओं की सरक्षा तथा भविष्य के विकास कार्यों मे अधिसभा के सदस्यो का पूर्ण समर्थन और सहयोग मुझे मिलता रहेगा।

16. On the request made by the Programme Organiser, Indian Institute of Management, Calcutta for nominating a team of two participants—one from the administrative side and the other from the academic side – to attend the Management Development Programmes for University Administration at Calcutta from 2nd December to 9th December, 1972, Shri J.N. Mathur, Deputy Registrar and Prof. R.G. Sarien, Head of the University Department of Business Administration were nominated for the said programme.

17. About five years ago the Academic Council had appointed a Committee to consider a proposal from one of its members for setting up a separate Faculty of Social Sciences in the University, a provision for which existed under Section 24 of the University Act. The final report of the Committee was submitted to the Council in November, 1972 and as per the recommendations made by the Committee it was accepted in principle that a separate Faculty of Social Sciences be set-up in the University, and another Committee was appointed by the Council to suggest details such as distribution of subjects to the Faculty of Arts and the Faculty of Social Sciences and consequential amendments to the relevant Statutes, Ordinances etc. including composition of the Faculty of Social Sciences and its Boards of Studies. Earlier, the Faculty of Arts had also considered a similar proposal from one of its members and expressed the opinion that it is advisable to institute a separate Faculty of Social Sciences, but at that time it was decided that for the persent there may be, within the Faculty of Arts, two Sub-Faculties viz. the Sub-Faculty of Humanities and the Sub-Faculty of Social Sciences each dealing with the subjects coming under their purview and meet informally a day prior to the regular meeting of the Faculty of Arts so as to facilitate smooth transaction of business.

The recommendations of the latter Committee appointed by the Council, together with the additions and/or alterations to the

Statutes and Ordinances were approved by the Council in April and May, 1973, endorsed by the Syndicate and further approved by the Senate in June, 1973. The two new Statutes and amendments to certain existing Statutes as passed by the Senate in this connection have been submitted to the Chancellor as required under the provisions of the University Act. Further steps for creation of the Faculty of Social Sciences will be taken on receipt of the Chancellor's assent to the new/amended Statutes.

It is envisaged in the new provisions that the Faculty of Arts and the Faculty of Social Sciences will have under their purview the following subjects ;

Faculty of Arts	Faculty of Social Sciences
1. English	1. Sociology
2. Modern Indian Languages (such as Hindi, Urdu, Sindhi etc.),	2. Political Science & Civics, 3. Pub. Administration, 4 Economics
3 Classical Languages (such as Sanskrit, Arabic & Persian),	5. Geography 6. Psychology, 7. History, Archaeology and Culture,
4. Modern European Languages,	8. Home Science (including Physiology, Hygiene and Child Study),
5. Oriental and European Classical Languages,	
6. Philosophy (including Logic & World Religion),	9. Education, 10. Mathematics
7. Drawing & Painting.	11. Statistics.

The nomenclature of the existing B.A. and M.A. degrees will continue in respect of the candidates offering one or more subjects under the purview of the Faculty of Social Sciences. As regards the admission of successful candidates to the degrees in the formal way at the time of Convocation, the Dean of the Faculty of Arts will continue to present all candidates for the B.A. degree as heretofore and for M.A. Degree, the Dean of the Arts Faculty will present the candidates who pass their M.A. examination in a subject assigned to the Faculty of Arts and the Dean, Faculty of Social Sciences will present

candidates who pass their M.A. examination in the subject assigned to the Faculty of Social Sciences. The provisions contained in Section 24 (A) (1) and (5) of the University Act regarding composition and term of office of the members of the Faculty of Arts shall apply in the case of the Faculty of Social Sciences. Similarly, the provisions of Section 24 (E) of the University Act regarding Boards of Studies, their number, composition, term of office and appointment of Conveners as applicable to the Faculty of Arts shall also apply in the case of the Faculty of Social Sciences and the Boards of Studies in its purview.

18. Looking to the long-felt demand from the student-community the Syndicate decided to start M.A. classes in (i) Urdu, and (ii) Music (Instrumental & Vocal) in the University w.e.f. the academic session 1973-74.

19. The scheme of examination for the B.Com. (Hons.) degree was strengthened by providing one Main group and two Subsidiary groups separately in the three Departments of (i) Accountancy and Bus. Statistics, (ii) Business Administration, and (iii) Economic Administration & Financial Management. The Honours course shall be of two years duration and offered in the Second Year of the three-year B.Com. Pass course by such students only who obtain at least second division marks in the aggregate and also a minimum of 50% marks in the special subject proposed to be offered for Honours.

20. On the recommendation of the Academic Council it was decided that w.e.f. the examinations of 1973 option be given to the candidates to write their answers through the medium of Hindi, also at the LL.M. and various Diploma examinations in the Faculty of Law, though the question-papers will be set in English.

21. The system of double evaluation of answer-books was introduced for the following examinations;

(i) M.A.,
(ii) M.Sc.,
(iii) M.Sc. Tech. Applied Geology,
(iv) M.Com.,
(v) M.B.A.,
(vi) M.Ed.,

(vii) LL.M., and
(viii) Acharya.

22. With a view to elevating moral standard in the matter of examinations it was decided that-(i) it be enjoined upon every member of the Committee for Selection of examiners that he should not associate himself in the appointment of Paper-setters and examiners (including Viva-voce/dissertation and practical examination) and moderation of question-papers for the examination of the University in which he himself or his close relation(s) is appearing, and (ii) no person shall be associated with the Viva-voce/Practical Examination/Dissertation/Tabulation/Checking/Moderation of results of an examination at which he himself or his close relation(s) has appeared in that year.

23. Heretofore persons possessing Acharya degree were not admitted to the M.A. examination in Sanskrit. The Syndicate has now on the recommendation of the Academic Council decided that persons who have passed the Acharya examination may be admitted to the M.A. examination in Sanskrit, if otherwise eligible, subject to their possessing sufficient knowledge of English (equivalent to the standard of General English syllabus prescribed for the Shastri examination of the University).

24. The name of the University Department of Library Science was changed to "University Department of Library Science & Documentation' so as to be in conformity with the courses of study imparted by the department.

25. The following two new Gold Medals were instituted by the University on the usual terms and conditions:

1. M.A. examination in Psychology
2. M.A./M.Sc. in Statistics.

26. The Syndicate accepted an endowment of a sum of Rs. 4,000/- from Shri V.D. Qamra, Deputy Registrar in the University for instituting a Gold Medal named-'Harish Qamra Memorial Gold Medal' to be awarded to the best Athlete of the year in order to perpetuate the sweet memory of his son who was a Flt. Lt. in the Indian Air Force and died in a plane crash in the month of May, 1972.

27. The Syndicate accepted an endowment of Rs. 4,000/-made by the Board of Trustees of Dr. Shurveer Singh Trust for instituting one "Kesar Bai Shurvir Singh Prize" to be awarded every year in the form of cash money of Rs. 250/-to a candidate who fulfils the following condition within the frame work of general rules laid down by the University for the award of Medals ;

> "The candidate should have passed the Final M.B., B.S. examination of the University in the first attempt with at least 60% matks in the aggregate and highest marks in the subject of Medicine. Besides, the candidate should have also passed the First and the Second M.B., B.S. examinations in the first attempt."

28. A provision was made in the relevant O.115 of the Univ. Hand Book Pt. II for three scholarships of the value of Rs. 40/-p.m. each, tenable for 24 months to be awarded to the candidates who stand First, Second and Third at the Shastri Examination of the University.

29. A provision was made in the relevant O.115 of the Univ. Hand Book Pt. II for one scholarship of the value of Rs. 40/-p.m. tenable for 24 months to a candidate securing highest number of marks at the Ayurveda Brahaspati Part I examination.

30. Shri Ramnath A Podar of Bombay made an offer to the University for donating a building costing about Rs. 3 lacs to be named after Podars for the proposed 'Institute of Management' if the University would make available to the donor a plot of land free of cost on the northern side of the Rajasthan College building and running parallel to the Jawaharlal Nehru Marg. The University accepted the offer and the draft agreement for the purpose has been finalised. The intention is to develop a well equipped Institute conducting several courses in Business Administration including M.B.A. classes and research.

31. The University having already expressed its agreement in principle with the recommendations (on Governance of Universities) of the Gajendragadkar Committee, the matter was receiving attention of the State Government. Towards the end of June, 1972 the 'University of Rajasthan (Amendment) Act, 1972' was promulgated, the main features of the amendments being as follows :

(i) Ten internal students to be elected to the Senate every year for current academic session in which they are so elected Out of these 10 students, *three* shall be elected by the Presidents of the Student Unions of University Teaching Departments and Constituent Colleges and ten representatives, including the President of the Central Union of the University, elected by the Executive of the Central Union. Another *three* internal students to be elected by the Presidents of the Student Unions of affiliated colleges, and the remaining *four* internal students shall be elected from amongst themselves by those internal students who have obtained the highest percentage of marks in various examinations of the University in the preceding year and two representatives of the registered Research scholars in the University Teaching Departments, constituent colleges and affiliated colleges who are not employed in University Teaching Departments, constituent colleges and affiliated colleges Certain conditions of eligibility have also been put in the provisions of the Act

(ii) Till now the Senate had four teachers elected from amongst themselves (other than the Heads of University Departments and Principals of affiliated colleges) for a term of five years. The amended provision of the Act provides for 15 teachers (other than Heads of University Teaching Departments and Principals) to be elected from amongst themselves. Out of these fifteen, five shall be elected separately by the said teachers of the University Teaching Departments from amongst themselves, and the rest ten separately by the said teachers of the affiliated colleges from amongst themselves, provided that a person appearing in any of the examinations of the University or registered for research for doctor's degree in University shall not be so elected. The term of these fifteen elected teachers shall be 3 years.

(iii) The composition of the Syndicate has been enlarged by providing four more members as follows:

1. Shri Ranjeet Singh	1st in Broad Jump–6.80 Mts.
2. Shri Surendra Pal	1st in 400 Mts. (Hurdles) 55.7 seconds.
3. Shri Harnek Singh	2nd in High Jump–1.84 Mts.
4. Shri Anil Kumar	3rd in 400 Mts.–50.7 seconds.
5. Miss. Dilbar Tak	3rd in Discuss throw–28.84 Mts.
6. University Basket-ball Team.	Winners of the Inter-University Basket-ball Tournaments.

39. As it was not possible to hold the 'University Convocation' for conferring Degrees and distinctions upon the candidates declared successful at the University examinations of 1972, the Syndicate decided that from the resultant savings on this account a sum of Rs. 5,000/- be donated towards the Famine Relief Fund of the State Government.

40. It was decided that the Finance Committee should be broad-based in order to assess the needs of growth and development of the University. With this end in view a provision was made in the relevant S.23 regarding composition of the Finance Committee to include not more than three Heads of the University Teaching Departments who will not belong to those faculties which are represented by persons already members of the Finance Committee under clause (ii). The newly constituted Finance Committee is now charged with an additional function viz, to make recommendations to the Syndicate on all matters relating to the development programme of the University.

41. The question of improving the emoluments of the Vice-Chancellors of the three Universities in Rajasthan was under consideration of the Mehta Committee appointed by the State Government. This Committee recommended the pay of Rs. 2,500/-per month plus free house for a Vice-Chancellor. The Coordination Committee of the Vice-Chancellors of the three Universities in the State accepted the aforesaid recommendation of the Mehta Committee. The Syndicate therefore, on the recommendation of the Finance Committee decided that the pay of the Vice-Chancellor be raised from Rs. 2,000/-p.m. to Rs. 2,500/-p.m. w.e.f. 1st November, 1972 on which date the decision of the State Government was communicated to the University.

Necessary amendment to this effect was duly made to the relevant Statute-42-*D*.

42. On the recommendation of the Finance Committee the Syndicate decided that the pay-scale of the University Coaches (Sports Board) be revised so as to be at par with that of the Assistant Directors of Physical Education Similarly, it was decided that the pay-scales for the posts of Compositors Grade 'A' and Grade 'B' be revised from Rs 100-180 and Rs 75-140 to Rs 130-300 and Rs. 85-180 respectively. It was further decided that the revised pay scales be implemented after necessary approval of the State Government in terms of the block-grant.

43. Heretofore temporary employees of the University were not entitled to the benefits of the Provident Fund which resulted into hardship to persons who served the University on a temporary basis for several months. The Syndicate, therefore, recommended to the Senate certain amendments to the relevant S.41 of the Univ. Hand Book Pt. II which were approved by the Senate and were also assented to by the Chancellor. As a result of these amendments persons appointed temporarily for a period of not less than six months now become entitled to subscribe to the Provident Fund, but if their services are terminated before the completion of three years continuous service in the University they are not entitled for University contribution.

It was further decided that the facility of granting conveyance advance be also extended to the temporary employees subject to similar conditions as are laid down for the purpose by the State Government.

44. It was decided that w.e.f. the academic session 1972-73 the members of the non-teaching staff of the University be exempted from payment of tuition fee for a course of study for which instructions are imparted in a Department/College/Institution of the University.

45. The Housing and Urban Development Corporation (HUDCO) Ltd., New Delhi wrote to the Vice-Chancellor indicating the possibility of extending financial assistance to the University for construc-

tion of flats/houses/staff quarters for the University employees. The Syndicate authorised the Vice-Chancellor to negotiate with HUDCO for the grant of loan of about Rs. 20 lacs for construction of the proposed quarters for University employees. In February, 1973 a letter was received from the Secretary, HUDCO conveying its sanction for a loan of Rs. 23.40 lacs to be made to the University in accordance with the terms and conditions mentioned in the letter. The loan is to be secured under a guarantee from the Government of Rajasthan for its re-payment by the University to the loaners. The Government of Rajasthan (Finance Deptt.) agreed to guarantee the re-payment of loan on certain conditions which were agreed to by the Syndicate at its meeting held on June, 1973.

46. In view of the pressing need for hostel facilities for the students of the University Department of Geology at Udaipur, the Head of the Department was authorised to make suitable arrangements in a rented building as was done during the last session. An estimated expenditure of Rs. 14,340/-for the purpose was approved against the probable income of Rs. 3,180/-by way of fees, and the State Government was requested to provide additional grant to the University to meet this expenditure over and above the block-grant.

46(A). With a view to extend financial assistance to low-paid employees of the University in cases of extreme financial hardship in the shape of special loan, the Syndicate decided to create a Floating Fund entitled–"Vice-Chancellor's Staff (Ministerial & Class IV) Welfare Fund" and framed necessary rules for administration of the said fund.

47. The University appointed M/s B.L. Ajmera and Co.,Chartered Accountants as auditors for auditing the University Accounts for the year 1972-73 in terms of Statute 22(2) of the Univ. Hand Book Pt. II.

48. The tone of student-discipline was on the whole satisfactory.

49. The following Research Schemes approved by the C.S.I.R. were in progress in the various Science Departments. The names of Investigators and the details of grant sanctioned in each case are also noted below:-

   (a) To develop character, comradeship, the ideal of service and capacity of leadership in youngmen and women.

(b) To provide service training to youngmen and women so as to stimulate interest in the defence of the country, and

(c) To build up a reserve of manpower to enable the Armed Forces to expand rapidly in a national emergency.

2. The above aims are achieved by including military as well as non military subjects in the training syllabi for the cadets. The subjects are so selected as to inculcate a sense of discipline, ideal of service and capacity of leadership. The various types of training camps held every year bring about emotional integration, comradeship and widen out-look of the boys and girls. The impact on the discipline, turn out and general behaviour of NCC Cadets is conspicuous as compared to other students in the colleges schools.

SHOOTING COMPETITIONS

3. The NCC Cadets of Rajasthan participate in the undermentioned competitions every year :—

(a) Earl Roberts Shooting Competition.
(b) All India Junior Division Boys Shooting Competition.
(c) Burdwan Senior Division Shooting Competition.
(d) All India Girls Division Senior Wing Shooting.
(e) All India Girls Division Junior Division Shooting competition.

4. In the year 1972/73 a total of 10 Officers and 288 cadets were attached with the Armed Forces Units.

LOCAL ANNUAL TRAINING CAMPS

5. Generally the attendance at annual training camps, during the period under review has improved and is quite satisfactory. No problem was faced in any of the camps regarding administration. The standard of food was good and wholesome. As far as possible these local camps are held under convas in conditions not dissimilar to these obtaining in a field area, so that they should have varied experience of training and working under sparton conditions. Due consideration is also given to hold camps at places of historical importance with a view to attract more cadets to attend camps.

6. The training camps enabled the cadets to learn practically the lessons of duty and discipline, development of character and comradeship and ideal of service. The orderly Soldiers' life in camps and attachments infused in them the spirit of unity and purpose The outdoor exercises and the practical work involving long marches' technical exercises were fully liked by the cadets. They showed leadership and shouldered responsibility throughout the camps. The cadets derived maximum benefit from camp training and as such it proved very useful. During the year 1972-73 a total 21 camps were held and attended by the following number of NCC Officers and Cadets :—

	Officers	Cadets
(a) Senior Division	92	3148
(b) Junior Division	169	4394

TRAINING

7. The training has been carried out strictly in accordance with the laid down training syllabus. However the training was hampered and delayed due to frequent student strikes throughout Rajasthan and floods in certain areas. The Air Squadrons have carried out intensive gliding training for the Air Wing Cadets No 1 Raj Air Sqn NCC JAIPUR has completed 2503 gliding launches and 24 cadets have qualified in 'SOLO' flying during this year. In addition, the unit has imparted Power Flying Training to 7 Cadets Out of these cadets, 5 cadets have qualified for 'SOLO' Flying and 2 cadets have reached PPL standard. These 2 cadets are going to appear for DGCA'S ground examination to qualify for PPL. No. 1 Raj Naval Unit NCC UDAIPUR could not impart training in Ship-Modelling since they have no Ship-Modelling Mechanic or any other qualified person to impart training on the subject.

8. The days and timings of parade in different Institutions were staggered to allow maximum use of existing Staff, weapons and equipment to achieve required standard of training

9 The response of the Junior Division Cadets towards attendance on parades has been very satisfactory while that of the Senior Division Cadets and particularly of Army Wing Boys has been on the

later side. Due to voluntary nature of NCC training (the Universities not insisting now on 75% attendance), the attendance in some colleges is low. This low attendance of Senior Division Cadets is also attributed due to lack of interest and efforts shown by N.C.C. Officers on parades and camp training. Every possible effort is being made to get the Heads of Institutions concerned to help in the motivation of the Cadets towards NCC training. The new scheme of 'C' Certificate entry of Senior Division NCC Cadets to Indian Military Academy is likely to improve the enrolment and attendance on parades from next academic session.

ATTACHMENT WITH REGULAR ARMY UNITS

10. During summer vacations our NCC Officers and Cadets are associated with three weeks attachment with Regular Army Units Naval and Air Force Establishments so that :—

(a) They may have the understanding of the organisation and working of all the wings of Armed Forces in war and peace.

(b) To have practical experience of Defence Forces so as to stimulate interest in the defence of the country.

(c) To help social and economical integration of the country.

(d) To build up a reserve of manpower to enable the Armed Force to expand rapidly in a National Emergency.

N.C.C. STRENGTH

11. At present the actual strength of N.C.C. Rajasthan is as under;-

N.C.C. G.P. HQ	Number of Senior Division Units	Number of Junior Division Troops	STRENGTH Senior Division Cadets	Junior Division Cadets

11. UNIVERSITY LIBRARY

During the year 1972-73, the library made progress in all its various activities An important achievement during the year has been the installation of a Microfilming Unit and of a Xerographic machine for the Reprographic Section of the Library. Special attention was also paid in filling up the gaps in back volumes of some journals out of the U.G.C. grants, either by Reprint or through out-of-Print suppliers in the form of microfiches

Finances :

During the year there was some increase both in the total grant for the purchase of books and journals as also in the total budget of the library Against a total budget provision of Rs. 6,06,000/-during the year 1971-72, a total sum of Rs. 6,50,800/-was provided for the year 1972-73 As regards the grant for the purchase of books, the University provided a sum of Rs. 2,80,500/- during the current year against a sum of Rs 2,53,000/-for the year 1971-72 out of the University's own funds.

The University received an additional *ad hoc* grant worth Rs. 3 lacs from the U.G.C. for the purchase of books and journals to be utilised upto 30th June 1973. The period of utilisation of this grant has now been extended upto 31st December, 1973. In addition to the utilisation of this grant the library also made progress in the utilisation of the U.G.C. grants already received during the Fourth Five Year Plan period.

Due to steep rise in the cost of subscription of the current scientific periodicals as well as increase in the cost of books etc. the library is facing difficulty in acquiring books and back volumes of journals of scientific subjects. The allotment made by the University out of its own funds for science subjects is not sufficient to meet even the annual cost of the subscription of their respective journals. The U.G.C. grants allotted to these subjects are also inadequate to purchase back volumes of journals of scientific subjects as they are very costly. Efforts have therefore to be made to obtain additional grants from the U.G.C. as well as from the State Government to acquire much needed books and journals on scientific subjects in the intrest of teaching and research etc.

Similarly efforts need be made to obtain additional grants both from the U.G.C. as well as from the State Govt. to maintain at least the present tempo in the acquisition of books and journals for Humanities and Social Science subjects also.

Book Acquisition :

The library accessioned a total of 12805 items including back volumes of periodicals, theses etc. during the year under review against a total of 12500 last year. The total collection as on 30th June, 1973 stood at 1,95,266.

Gifts :

As usual the library received a sizable number of Government reports, parliamentary papers etc. by way of gift from Hon. Ram Niwas Mirdha, Minister of State for Home Affairs, Government of India. The Library has also been receiving back volumes of various Indian News papers through Book Procurement Centre, New Delhi from time to time. Some important books are also being donated from other Government Agencies. Our grateful thanks to the donors.

Microfilms :

The total number of microfilms as it stood on 30th June, 1973 was 544.

Microfiches :

The Library acquired a total number of 222 microfiches from M/s Inter Documentation Company, Switzerland. Some of these microfiches relate to the back volumes of journals. The total no. of microfiches as it stood on 30th June, 1973 was 431.

Theses :

166 copies of theses were received from the office of the Registrar bringing up the total to 6032 at the end of the year.

Reports :

During the year under review, 326 Reports relating to various Government Departments and Institutions have been accessioned. It is proposed to organise a separate Section of the Reports and Government Documents in order to serve teachers and research scholars

effectively. This can, however, be done only when some additional staff is made available

Children Literature :

The University provides a sum of Rs 2000/-for the purchase of books for the Children Literature. We have acquired 732 books out of this grant for the Children Section of the library

The Children Section remains open for two hours from 4.00 p.m. to 6.00 p.m. during winter and from 8 00 a m to 10 a m. in Summer vacations. It remains open even on Gazetted holidays. On Sundays, however, it remains closed. The library is running this Section on voluntary basis as no separate staff has been provided for the purpose.

Periodicals :

At present the total number of journals subscribed as well as those received on complimentary basis is about 2000.

Library Facilities and Services :

As usual the library remained open for 12 hours throughout the year except on 5 holidays as provided in the Library Rules. On Sundays and other holidays the library remains open from 11.00 a m. to 5.00 p.m. During the summer vacation the library was kept open from 8.00 a.m. to 8.00 p.m.

Enrolment :

The total number of members enrolled under the different categories during the year under review is as follows ;—

1.	Students	1825
2.	Teachers	406
3.	Research Scholars	122
4	Special members	147
		2500

Inter-Library Loan :

With a view to help research scholars the library procurred 36 books from other University Libraries and Institution Int

library loan basis and loaned out 67 books. This service is very much appreciated by the Research Scholars and other members of the Library.

Issue:

During the year about 81000 books on different subjects were issued to the members of the library for their home reading. This figure shows that about 500 books were issued more than done last year. In addition, about 1,75,000 books were consulted from Text-book and Reserve Section of the Library.

Library Building and Equipment :

The first phase of the extension to the Library building is more or less complete. The furniture required for the reading room has also been acquired by the University Engineer. It is hoped that the extension part of the library building will now be put to use early.

The library is facing acute shortage of steel shelving. The situation can be eased only if the University finds some money for the purchase of steel shelving required for at least two stacks either from its own funds or from other resources.

Library Committee :

During the year under review the Library Committee held its meeting on 25th October 1972. Some of the important recommendations of the Library Committee are as under ;—

(1) Decision regarding the library facilities to be granted to the permanent and R.P.S.C. approved teachers of the colleges affiliated to the University.

(2) Renewal of membership of all categories of teachers including those of the University every year.

(3) Limiting the number of books to 20 for issue both to Readers and Professors of the University.

Review Committee :

The Vice-Chancellor in December 1972 appointed a Review Committee consisting of the following members under the Chairmanship of Prof. M.V. Mathur, Ex-Vice-Chancellor of the University to suggest future development of the Library :—

1. Prof. M.V. Mathur —Chairman
2. Prof. Daya Krishna
3. Prof. Iqbal Narain
4. Dr. K.C. Khanna
5. Shri Hari Mohan Mathur
6. Prof. G.S. Sharma
7. Deputy Registrar (Accounts & Finance), Secretary.

The Review Committee has yet to submit its report.

Orientation Programme :

With the commencement of the academic session in the month of July, 1973, the library organised an orientation programme for fresh incoming students of the University. The students from the different Departments came in batches on successive days to the Library and the members of staff explained to them the working of the different sections of the Library. On the whole, the programme was successful.

Library Publications :

In addition to the weekly list of additions brought out by the University, the library has already released number 1 and 2 of Vol. 6 of INDEX INDIA in printed form. Number 3 and 4 of this volume will be released shortly.

IX **Other activities** :– Hobby workshop exhibition (20-26th January, 73) Art and Photography. Inaugurated by Prof. R.C. Mehrotra, Vice Chancellor.

X **Farmers' Functional Literacy Programme** :—Sanganer Block 10 centres with a total erolment of 270 farmers.

XI **Audio-visual** : The department arranged 13 film shows and 6 slide shows in various departments and also in some villages.

XII **Significant Developments** :—Along with this marked increase in the number of programmes and enrolment the year under review is significant for other developments also.

1. **Programmes for women** :—This year we have been able to offer special programmes of interest to women and this responsibility has been entrusted as a full time charge to a Newly appointed lady programme organiser. This activity was overdue but due to inade-

quate staff we were not able to provide for it. Now it is hoped that the interests of women will receive adequate attention.

2. **Professional Journal in Adult Education :**—The departmental Newsletter PRASAR which was published irregularly in the past but was regular for the last one year has now been upgraded into a quarterly professional journal dedicated to theory, research and field practices in Adult Education. This venture was taken up to match the growing need of the profession in the country and the moral support of the university administration. PRASAR has an Editorial Board of eminent professors from the discipline relevant to adult Education with the Vice Chancellor of University of Rajasthan as its Chairman and Mrs. C.K. Dandiya Director Incharge as Editor. This journal has been widely acclaimed and well received.

5. Facilities for research and publications :—

Research Schemes/Projects on which work was done :-

A. *Professor B. Saraf's Group :—*

(i) Studies of angular distribution 3 photon annihilation from Positronium decay.

(ii) Study of angular distribution 2 photon annihilation from Positronium in metaller system.

B. *Professor S. Lokanathan's Group :—*

(i) Life time studies of Heavy Hyper Nuclear using Nuclear emulsions.

(ii) Setting up of Mossbauer spectrometer.

(iii) Setting up of a thin film depositing units.

C. *Dr. R. C. Bhandari's Group :—*

(i) Studies of Physical Properties of sands in Rajasthan.

(ii) Studies of some Problems in Cold neutron scattering in solid and Liquids.

D. *Dr. A.N. Nigam's Group :-*

(i) Study of spectra of copper and Molybdenum.

(ii) Systematics study of I-Xray spectra of some of the rare earth and some heavy elements.

(iii) Spectroscopic studies of some rare earth and some heavy elements.

(iv) Some theoretical work on X-ray spectrum.

(v) Theoretical studies of the continuous X-ray spectrum.

E. *Dr. M.P. Saksena :-*

Solid state physics & Electronics.

F. *Dr. S.R. Sharma:-*

Plasma Physics & Solid State Physics.

G. *Dr. J.C. Garg :-*

Thin film Technology.

H. *Dr. M.L. Sisodia :-*

Microwave Electronics.

1. *Shri N.K. Sharma* :-

General Relativity and Gravitational Fields

6. **Research contribution by the members of the teaching staff** :—As per Appendix IV

7. **Laboratory facilities** :—The Department provided necessary *laboratory facilities to the M Sc and Reserch students*

8. **Library facilities** :—University Central and Departmental Library facilities were available to the students

9. **Hostel facilities** :—Some of our students resided in the various University Hostels.

10. **Games facilities** .—Games and sports facilities were provided by the Director, Physical Education of the University Main Campus, Jaipur and some of our students took interest in them

11. **Special facilities** :—

(a) The following Distinguished visitors visited the Deptt

1. Dr. Valkrishnan of T.F.I.R Bombay 'Quantum Electrodynamics'.
2. Dr. P. Bool Chand, a faculty member of the University of Cincinnoti (Ohio) Mossbauer Effect'
3. Professor Ziman from U.S.A. a top solid state Physicists in the World.
4. Dr. H.S. Hans, Dr. Shankar Narain and Dr. S.C handra Shekhar visited the Deptt. in the U.G C. Team.
5. Prof. Joshi of Roorkee University, visited the Deptt
6. Prof. M.S. Dosha, Senior Professor of Physics, I.I.T. Haus Khas, New Delhi visited the Deptt.
7. Prof. S.H. Patil of I.I.T. Bombay 'A Finite Perturbation Theory'.

(b) Two research scholars have been awarded Ph.D. degree in the year under review. Three teachers visited foreign countries.

(c) The Department is continuing College Development, Programme under the University Leadership Project of the University Grants Commission, New Delhi. Some concrete achievements have made in the direction.

Head of the Department.

5. **Facilities for research and publications :—**

The Laboratories are well equipped with modern scientific equipments and the facilities available can be said to be sufficient for carrying on research work.

The number of research papers published in the scientific, journals of International repute, during the year under review, is more than hundred (100).

In last convocation 15 Candidates were awarded Ph.D. Degree.

6. **Research contribution by the members of the teaching staff :**—As per Appendix IV.

7. **Laboratory facilities** :—Although the Laboratories are well equipped with modern equipments but due to lack of funds and non-availability of a number of equipments indigeniously, the available laboratory facilities cannot be said to be satisfactory. Secondly, due to acute shortage of space, the Department, regret its inability to provide research facilities to a large No. of teachers. However, thDepartme ent has been quite liberal in providing research facilities to a sufficient good No. of teachers of affiliated colleges and sister Universities during the vacations.

8. **Library facilities** :—The Departmental Library which holds a good number of back volumes, current journals and books, remains open from 9.00 A.M. to 9.00 P.M. The facilities available at the University Central Library are also open to all workers.

9. **Special features :—**

This year the Department organised a Summer School for National Science Talent Search Scholars on an All India basis sponsored by the N.C.E.R.T., New Delhi.

A Seminar on "Co-ordination Chemistry Research in India" was organised from March 25-29, 1973 in this Department. This was sponsored by the University Grants Commission, New Delhi in the memory of Late Prof. Dr. Sir R.S. Nyholm, F.R.S. In this seminar leading Inorganic Chemists of India as well as some foreign Inorganic Chemists were invited to attend the same. The following two

distinguished Inorganic Chemists of U. S. A. also attended the same and gave their main lectures :

(1) Prof. Dr. John C. Bailar,
University of Illinois, Urbana Champaign, Urbana,
Illinois 61801, U.S.A.

(2) Prof. Dr. R. Bruice King,
Department of Chemistry,
University of Georgia, Athens, U S.A

Prof. H J. Emeleus, F.R S , U.K., visited this Department and spent three days from 17th to 19th February, 1972. Prof. Emeleus is one of the senior most Inorganic Chemists of the world He visited this department and Maharaja's College and gave lectures in the Department. Prof. Koohane from U.K and Dr. C M Horton from British Council also visited this Department. Prof De Levie of Georgetown University, U.S.A. was in the Department from 13th to 15th December, 1972 and delivered a lecture He is one of the distinguished chemists in the field of Electro-analytical Chemistry and Interfacial Electro-chemistry

Under the Programme of "Special Assistance to Selected Departments", the University Grants Commission's approval has already been received.

A special grant of approximately Rs. 1.25 lacs has been allocated for the building under this programme.

A number of teachers were benefitted by the award of U G.C. financial assistance and assistance awarded out of the U.G.C. grant of Rs. 1.00 lacs earmarked for supporting research.

Financial Assistance out of Students' Aid Fund of the Deptt.	250/- only.	

The Department awards two research scholarships of the value of Rs. 175/-p.m. for the first year and Rs 250/-p.m for the second year. Besides this facility the University and the U.G.C Scholarships and Fellowships are also available.

5. Facilities for research and publication —

Dr. M.W. Chaudhari, Prof. & Head and all the three Readers namely Dr. M.K. Pandya, Dr. A.B. Roy and Dr. B L. Sharma, are the approved research supervisors are available with the department.

The following members of the staff and the research scholars were working on the subjects noted against their names for their Ph.D. degree in the department during the session :—

1. Shri D.S. Chauhan, Lecturer ;—
   "Geological Investigation of granites and associated meta-sediments north of Udaipur City".
2. Shri O.P. Goel, Lecturer :—
   "Petro-meneralogical studies of the Banded Gneissic, Complex in the neighbourhood of Kuanthal" Udaipur Distt. Rajasthan.
3. Shri B.K. Mansinghaka, Research Scholar :—
   "A mineralogical and Geochemical study of Mica pegmatites in the neighbour-hood of Bhilwara (Raj.)"
4. Shri A.K. Jain, Jr. Research Scholar :—
   "Structural and Stratigraphic evolution of the rocks of around Sisarma, Near Udaipur.

6. **Research contribution by the members of the teaching staff** —As: per Appendix IV.

7. **Laboratory facilities** :—There are separate laboratories for the different branches in the department, numerous facilities are available particularly in Mineralogy, Petrology, Economic Geology and Structural Geology.

8. **Library facilities** :—The Departmental Library has 3015 Volumes and subscribed 53 Journals in addition to 45 received gratis or in exchange. It is well equipped for Post-graduate teaching and Research purpose. But further addition of latest publications is held up for want of funds.

9. **Hostel facilities** :—The Hostel of the Department runs in a hired building which can accommodate 12 students only.

10. **Games facilities** :—The facilities for indoor games are already there, viz. Table Tennis, Badminton, Carrom, Chess, Volley-ball.

11. **Special features** :—Elections of the Office Bearers of the Rajasthan University Geological Association were held and Dr. R.K. Srivastava, Lecturer was elected as the President of the Association.

Dr. S.C. Khosla was appointed as Lecturer and Shri R.P. Kachhara, Shri P.S. Ranawat and Shri K.C. Gyani were appointed as temporary Lecturer in the Deptt.

Shri P.S. Ranawat and M.S. Mahawal submitted their Ph.D. Thesis for the docrtoral degree.

Mr. R. Dharmawat was awarded the University Gold Medal for standing First in order of merit in the M.Sc. Final Examination 1972.

Prof. Aswathnarayan, Centre for Advanced Study in Geology University of Saugar, Sagar delivered a series of lectures in the department under the U.G.C. scheme of National Lectures.

Dr. A.B. Roy, Reader participated and read a paper on the Structure of the Strata-bonnel lead-zinc Deposits at Zawar, Udaipur

distt, in the Seminar organised by the Directorate of Geology and Mining, Govt. of M.P. at Bhopal

Dr. A.K. Lahiry participated and read a paper in the Seminar on Stratigic Minerals of India held in the Vikram University, Ujjain

Dr. S.C. Khosla participated in the Expedition to Malla Johar in Trans-Himalayas organised by the Wadia Institute of Himilayan Geology, Delhi from 1st Aug. '72 to 14th Oct '72 He also participated in the 3rd Seminar on Himalayan Geology organised by the Institute.

Dr. M.W. Chaudhari, Prof. & Head the Department was invited to attend special lectures of Prof E.H. Hills, F.R.S. and presided over one session of the lectures at the Aligarh Muslim University, Aligarh.

Technical facilities were extended to other University departments and organisations such as preparation of oriented special micro-sections for the Centre of Advanced Study in Geology, Saugar University, determination of trace element contents of lime-stone of Lower Himalayas for Centre of Advanced Study in Geology, Chandigarh, preparation of special orthopaedic micro-sections of the bones of new born infants for R.N.T. Medical College, Udaipur; preparation of polished ore-sections and micro-sections for M/s Hindustan Zinc Ltd., Udaipur and reproduction of topographic maps for I.I T Bombay.

Library and some laboratory facilities were also extended to some organisations like State Govt. Directorate of Mines & Geology, Hindustan Zinc Ltd. and Geological Survey of India.

Head of the Department.

There is plenty of space to develop many courts for volleyball, basketball, Kabaddi and Kho-kho etc. But it requires an expenditure of about ten to twelve thousands rupees. There is one Gymnasium. The present room meant for this purpose is too small to accommodate Gymnasts. The University is thinking of building a Gymnasium with the financial help of the State Sports Council, In Rajasthan College, site for Gymnasium can be selected facing

Vivekanand Hostel. It is near to Commerce College, Law College, Raj. College and so many Post-graduate Departments, and University Hostels of the University Campus. The space for track around the Football ground is available.

8. **Hostel facilities** :—The Students avail of the Hostel facilities in any of the University Hostels However, preference is given to the students of this college to be lodged in the Vivekanand Hostel, which is within the College Campus.

5. **Facilities for research** :—Some research facilities exist for the members of staff in the Department of Science.

6. **Research contribution by the members** :—The research contribution of the members of the teaching staff of this unit during the session under reference are included in the Departmental reports submitted separately by the University Heads of the subjects concerned. (See Appendix IV.)

7. **Laboratory facilities** :—The Laboratories are fairly, furnished and well equipped though the existing accomodation available in the laboratories leave much to be desired. A batch of 20 students only can work at a time in the present laboratories of the College as they are to-day with the result that the laboratories have to function in shifts commencing from 8.00 O'clock in the morning

to 5.30 in the evening in order to cater to the needs of 500 students of the Science Faculty.

This workable adjustment has also been made possible with the additions and alterations of a few rooms in the Science and Home Science Wings. The Psychology Laboratory, as a stop gap measure continues to be housed in the newly constructed room on the first floor in the South Wing—with minor additions, alterations and adjustments to suit needs and conditions as they stand today. A total grant of Rs. 1,23,500/- recurring and non-recurring inclusive of Psychology, Home Science, Music and Drawing and Painting was sanctioned for the various laboratories and practical subjects in the faculties of Arts and Science

8. **Library facilities** :—The College Library is in charge of a qualified Librarian who is assisted by a Technical Assistant The number of books purchased for the Library during the year under report was 833 raising the total number of books to 31,733 Books were issued to the students against entry on their Library Cards Library service is available to readers from 8 30 A.M to 5 30 P M

A Library Advisory Committee advises, supervises and helps students, and functions as a bridge between them and the administrative machinery.

The reading room and Library continue to be housed in the College Hall which cannot be said to be very satisfactory though all efforts on our part have been made to improve facilities within the existing frame work.

The Library has further been improved during the year, under report by the rearrangement of the Text Book Section, addition of display boards, purchase of maps, language and play records etc.

The College Library subscribes to all important dailies, weeklies, monthlies, Indian and foreign journals, subject magazines and reviews of subjects of general and library interest.

9. **Hostel facilities** :—The Annie Besant Hostel located in close proximity of the University Maharani's College Buildings' Campus provides accomodation for 100 inmates with all convenien-

ces and modern facilities. The Kasturba and Malvia Hostel located at the main University Campus also cater to the needs of the over flowing and left over strength of students of the University Maharani's College.

10. **Games facilities** :—Arrangements exist for the following games :—1. Throw Ball (2) Net Ball (3) Soft Ball (4) Volley Ball (5) Kho-Kho (6) Tenni Koit (7) Badminton (8) Table Tennis and (9) Hockey.

Three whole time teachers of Physical Education work in the College and look after the conduct of games and sports and physical training commencing from 7.30 A.M. to 6.30 P.M.

In the local, District, State and University Tournaments, the performance and participation of students of this Unit has registered on all round upward trend.

11. **Special features** :—The Maharani's College being a multi-faculty constituent Unit/College has the advantage of presenting through its multifarious courses in Humanities, Social Sciences, Fine Arts, Home Science and Natural Sciences, an environment which is conducive to developing in the students an integrated human approach to the emerging pattern in the Politico-Socio-Economic structure of today with its stress on technology and existential value concepts of life.

The highlights of the year can be said to be:-(a) Shri V.V. Raman Murti Memorial Inter Disciplinary Lecture on Gandhian Philosophy by the Internationally reputed thinker/author/novelist, Padma Vibhushan Shri Jainendraji (b) an All Rajasthan Inter Collegiate 'Kalpana Consul Home Science Trophy Competitions' (c) an All India Hindi Debate held under the auspices of the Rajasthan University Students' Union which gave a forum for free expression of views to students of different idealogies in an atmosphere animated with dynamism, emotional exuberance and restlessness which was indicative of the new blowing climate towards accepted, behavioural moral codes of society (d) talk and discussion on the position of Hindi in Non-Hindi speaking States/Areas by Professor Nagappa, former Head of Department of Hindi in Mysore University; (e) a very reali-

stic, down to earth appraisal of women students attitudes and actions in theory and practice, given in a characteristic, free, modern style by Mrs. Kamala Bhasin Kapur, an old student and an up-coming social field worker associated with Seva Mandir, Udaipur (f) talk followed by discussion on Arab/Israel War conflict by Professor, Agwani of Jawahar Lal University, Delhi and (g) finally the climax, which was the exhilarating experience of listening in spell bound silence wonder to Dr. Shri Shiv Mangal Singhji 'Suman' reputed poet/scholar/thinker and at present Vice-Chancellor of the University of Ujjain who made the 'Graduates Reception' meaningful, colourful indelible and memorable not only for the graduates of the year but for all the teachers, students and invited guests who had the privilege of being present on the occasion.

The other features-academic, cultural and extra mural continued to function as in previous years with greater stress and effort on academic bias. Some of the dignitories and scholars who came from outside and enlightened and delighted us included Shrimati TarkeShari Sinha, Professor Miss A G Stock Padma Bhushan Dr. H.N. Vatsyayan and Dr L M Singhvi

The University teachers and other local elites were invited and associated with subject association programmes as and when organised.

The tone and discipline of the College continued to be good inspite of an all round prevailing climate and atmosphere of agitation/frustration, long college hours, large strength of students and perennial problem of accomodation.

The credit for this achievement goes in a large measure to the Dy. Director, Dr. Miss. Kamla Zutshi who bore the brunt of the burden during the year under report, the dedicated team work of members of staff of all cadres, and inspiring leadership provided by the teachers based in this Unit/College, besides of course collaboration of the College Assembly.

9. **Games facilities** .—Sufficient facilities are provided for the various games viz Hockey, Basket Ball, Tennis, Table Tennis etc.

10 **Special feature** :—Co-curricular activities are given prominence so as to help the students to develop their talents.

A special feature of the year was the performance of a full length play "The Age of Youth" a comedy by H F Meltby & Fredi Wynn. The play was staged successfully by the students both at Ajmer and Jaipur. The Actors portrayed their rolls in a superb realistic manner.

On a special occasion namely Teachers' Day, Rev Mothers' Day, Republic Day, Principal's Day, Diwali and Christmas, a choice entertainment programme was presented by the student.

Under the social service Programme the students cultivated within themselves a concern for the less privileged sections of of society. This year the needy children were provided with the garments tailored by the students. There have also been regular teaching classes for the interested members of the domestic and maintenance staff, conducted by the resident students.

Under the National Service Corps Scheme our Rangers have enjoyed their activities especially the Camp at Pushkar Ghati.

On the play-fields, our students have had a fair representation on the Hockey field, in the Table Tennis halls, on the Badmin-

ton and Basket Ball Courts, for the district and State Tournaments. Views of our players on the position of "Women's Sports in India" were taken for a broadcast on the 'YUV VANI'.

They again went on air in a special broadcast Programme of Christmas Carols—A.I.R. Jaipur-on Christmas Eve.

Talks on good living and principles of life are given regularly to the students. This alongwith good and cordial teacher-student relations helps to maintain a standard discipline in the institution.

11. **Special features** :—Our country being land of villages major portion on its population resides in villages. Rural students are the feeding grounds for most of the city colleges in Rajasthan. Many village students after passing their higher secondary exam. have to drop their further studies for want of funds as college education in cities entails expenses beyond their means. Ours is a rural college fulfilling the demand of numerous village students. They come from nearby villages daily and return to their homes after college hours, thus fulfilling their aspiration at minimum expenses. This I think is a very remarkable and special feature of our college.

10. Hostel facilities.—One Hostel with 50 seats.

11. Games facilities.—College caters for Tennis, Badminton, Hockey, Football, Volleyball, Basketball, Kabaddi, Wrestling, Table Tennis, Chess, [illegible] and Shooting.

12. Special features.—

The college lays emphasis on all round development of students—physical, mental and academic. N.C.C. Games and Sports are a regular feature of the training and programme of the cultural side.

Almost every subject has its own Association with the students as office bearers functioning under the guidance of the Professor in-charge.

In P.G. subjects every week one Seminar is organised in which the students and teachers participate in discussion. Proper reading is encouraged.

Internal Assessment and Tutor Group Schemes are a great success. Under the Internal Assessment Scheme 4 monthly tests are held in every subject. The Tutor Group Scheme helps in solving even the personal problems of students. Consequently the ties between the teacher and the taught are very cordial.

The College Library has 37000 volumes on its shelves and 111 journals are subscribed for.

The Science Block at the cost of about 8 lacs is fast coming up. The Block is expected to be completed and run in operation by 1974–75 session.

The Government College, Sriganganagar is the premier institution in the District. Its general tone of discipline and academic achievements alongwith the all round development may well be a matter of envy for others.

10. Games facilities :—The Games and Sports also form a regular feature of the College, inspite of the fact that there is no P.T.I. to coach. It not only won the district Basket ball championship, but also bagged many prizes in races and sports in district tournaments.

11. Special features :—The College had its regular literary and cultural activities. Shri S.N. Devra, II Year Science stood second

in all Rajasthan Hindi Debate organized by the Public Library, Deedwana and got a cash Prize of Rs. 50/-. This college also secured second Prize in all Rajasthan Inter College Hindi Debate organized by the Nagaur Nagrik Sangh Calcutta.

There is a N.C.C. (Infantry wing) Unit, working under the able supervision of II/Lt. T.N. Vajpai, which had been adjudged as the best in discipline, dedication and the general upkeep in the annual camp at Jaisalmer. Our student Shri Jethy Singh, the Ag. Cadet of this College, is the only Cadet from the whole of 18th Raj. Bn. N.C.C. who was recommended by the Director, N.C.C., Rajasthan Jaipur for admission to I.M.A. Dehradun. This College did not lag behind in Social work also. Under the N.S.S. and general shramdan schemes our students constructed two roads connecting the College Building with the main Road, cleaned the Play grounds and prepared a new Volley ball field. They took keen interest in Rovering also.

26. श्री नारायण श्रायुर्वेद महाविद्यालय, जोधपुर

(स्थापना सन् 1972)

1 शैक्षणिक :—

इस कालेज ने शैक्षणिक प्रगति तीव्र गति मे की है। राजस्थान विश्व-विद्यालय के पाठ्यक्रम के श्राधार पर ट्यूटोरियल सिस्टम के द्वारा शिक्षा देना श्रारम्भ किया। इससे प्रत्येक छात्र का लेखा जोखा उस विषय के श्रध्यापक रखते हैं तथा नियमित टेस्ट प्रणालियो मे छात्रो की पढाई का लेखा जोखा नियमित रूप मे होता रहता है। तथा जहा उसकी कमजोरी होती है वहा श्रध्यापक व छात्र स्वय का ध्यान श्राकर्षित होता रहता है। फिर मासिक मीटिंग द्वारा श्रध्यापको व छात्रो मे परस्पर विचार विमर्श किये जाने की प्रथा इस वर्ष डाली है जिससे छात्रो का बौद्धिक स्तर पर्याप्त बना रहे श्रौर विश्वविद्यालय परीक्षा मे इस वर्ष प्रविष्ठ छात्र व छात्राश्रो में से केवल एक छात्र के पूरक श्राया श्रन्य सभी छात्र प्रथम श्रेणी मे उत्तीर्ण हुये, जो राजस्थान के समस्त श्रायुर्वेदिक कालेजो मे एक नया कीर्तिमान है श्रौर जिस छात्र के पूरक श्राया वह भी उत्तीर्ण हो जाने मे इस महाविद्यालय से प्रविष्ट सभी छात्र उत्तीर्ण हो गये। श्रौर शत प्रतिशत परीक्षा परीणाम रहा केवल दो एवम छात्र एक नियमित छात्र परीक्षा में नही बैठे इस विषय मे भी श्रगले वर्ष ध्यान दिया जायेगा।

2. प्रवेश :—

श्री नारायण श्रायुर्वेदिक कालेज के श्रासपास संस्कृत महाविद्यालयो की श्रत्य
न्यूनता है इस कारण संस्कृत के छात्र मिलने की इस क्षेत्र मे कठिनाई है। श्रायुर्वेद म
के सदस्यों मे हमारे कालेज के प्रतिनिधि ने इस सम्बन्ध निवेदन भी किया किन्तु
साम से संस्कृत एच्छिक उत्तीर्ण छात्रो को प्रवेश देने का निर्णय हो गया। ज
कालेज के प्रतिनिधियो ने यह श्राश्वासन दिया है कि कुछ छात्र जिनका हमारे
प्रवेश नही हो पायेगा उनको जोधपुर कालेज जाने की सलाह दी जायेगी। इस
मे बहुत प्रयत्न करने पर भी नूतन व पुरातन 10 छात्र ही इस कालेज
पाये हैं।

3. प्रशासनिक :—

इस वर्ष संस्था का नवीन चुनाव हुआ श्रौर बहुत से नये सदस्य व प
कार्यकारिणी मे सम्मलित किये गये श्रौर प्रशासन मे सुधार किये गये।

4. भवन निर्माण :—

इस वर्ष भारत सरकार से प्रथम किश्त में एक लाख रुपया मिला, पूरा का पूरा व्यय किया गया। तथा कालेज का भवन विश्वविद्यालय पेटर्न के अनुसार बनाने की व्यवस्था की, जिसमें क्लास रूम 5 बनाये गये। प्रिंसिपल कक्ष, कार्यालय कक्ष जिसमें वित्तीय व लेखासार का दोनों का समन्वय रखा है। प्रत्येक हेड ऑफ दि डिपार्टमेंट के लिए अलग-अलग कक्ष बनाये गये हैं। मार्च 1973 में 2 लाख रुपया दूसरी किस्त के रूप में भारत सरकार से प्राप्त किया।

5. आर्थिक विकास :—

राजस्थान सरकार ने केवल मात्र 10 हजार की सहायता ही इस वर्ष दी जब की भारत सरकार ने भवन निर्माण हेतु पहिले एक लाख रुपये तथा दूसरी किस्त में 2 लाख रुपये कालेज को प्राप्त हुये। अब कालेज के पास निजी भूमि 6 लाख के आस पास की तथा चार लाख रुपये का भवन बन चुका है।

6. परीक्षा परिणाम :—

इस वर्ष 10 छात्र नवीन व पुरातन में से 3 छात्र अनुपस्थित रहे। कुल 6 छात्र छात्राओं ने परीक्षा दी जिसमें से एक छात्र पूरक रहा और अन्य सभी छात्र प्रथम श्रेणी में उत्तीर्ण हुए।

इस प्रकार यह वर्ष इस कालेज के श्रेष्ठ वर्षों में माना जा सकता है।
